Re: Application of Memphis Networx, LLC for a Certificate of Public Convenience
and Necessity to Provide Intrastate Telecommunications Services
TRA Docket No. 99-00909

Gentlemen:

It is our understanding that A&L Networks-Tennessee, LLC is no longer a party in the referenced proceeding and, therefore, we anticipate that Mr. Lowe may not be planning to be present at the hearing of the referenced matter scheduled to commence at 9:00 a.m. on March 26, 2001 before the Tennessee Regulatory Authority. For all practical purposes, it would appear that Mr. Lowe is outside the scope of the subpoena power of the Tennessee Regulatory Authority. We would respectfully request, however, that Mr. Lowe attend the hearing and appear as a witness to be called by the Intervenor. In addition, we would request that Mr. Lowe bring with him the following documents:

1. Any and all documents relating to cable/conduit purchased, installed, sold or stored since January 1, 1999.
2. Please list the place where the cable/conduit is located and/or warehoused and/or delivered.
3. Please produce any and all contracts with ADL, Memphis Light Gas & Water, Memphis Networx or Memphis Broadband which have not been produced

previously in this Docket.

4. Please produce any document related, directly or indirectly, to the sale or transfer of ownership interest in Memphis Networx (including payments made to and/or received from third parties).

The documents to be produced do not include any documents which have been produced previously.

We believe that it would be very helpful for the Directors to hear from Mr. Lowe as this application moves forward. Thank you for your time and consideration.

Very truly yours,

FARRIS, MATHEWS, BRANAN,
BOBANGO & HELLEN, P.L.C.
